

**Introduction** – The purpose of this note is to provide installation instructions and comments on a patch for the CQ/X Client software. The patch applies to version 1.7.4 of the software and is provided to fix the problems described below.

**Previous Patches** – This is the sixth patch for version 1.7.4. Users of previous versions should download a full copy of version 1.7.4 from [www.no5w.com](http://www.no5w.com) to bring their software up-to-date prior to applying this patch. You should apply patches 174-01, 174-02, 174-03, 174-04, and 174-05 prior to applying Patch 174-06.

**Installation** – In addition to these notes the zip file associated with this patch contains the following files which should be installed manually in the directories indicated in the table. **WARNING: If you have installed the program in a location other than C:\Program Files\CWSoft\ you will need to adjust the locations accordingly.** After unzipping the files copy them to the directories indicated below.

File	Installation
CQXHelpPresents.txt	This file replaces the file of the same name in the Documents directory of the application. For the standard install this will be in <b>C:\Program Files\CWSoft\CqxClient\Documents\</b>
ConList.dat	This file replaces the file of the same name in the contest definitions directory which in the standard installation will be <b>C:\Program Files\CWSoft\CqxClient\ContestDefns\</b>
WVE_SP_VE_IN.mlt	Copy this new file to the contest definitions directory which in the standard installation will be <b>C:\Program Files\CWSoft\CqxClient\ContestDefns\</b>
IndianaQSOParty directory and its associated files and subdirectory.	This directory contains most of the files required to model the INQP including the definition file for the INQP which specifies scoring definitions, multiplier definitions and rules, county abbreviations, and adjacencies, etc. The directory also contains a subdirectory that contains the boundary definitions for each of the Indiana counties. All of the files and the subdirectory will be copied by simply copying the IndianaQSOParty directory to the contest definitions directory which in the standard installation will be <b>C:\Program Files\CWSoft\CqxClient\ContestDefns\</b>
INQP_Maps directory and its associated file	Copy this directory to the Maps subdirectory which in the standard installation will be <b>C:\Program Files\CWSoft\CqxClient\Maps\</b>

**Problems Addressed/Enhancements** – The following problems/enhancements are implemented by the new files

Problem/Enhancement	Description
Support for the Indiana QSO Party	Added the IndianaQSOParty directory and the INQP_Map directory which contain all of the details for the INQP. Also added the INQP to the ConList.dat file and added a file to model the US States and Canadian provinces used in the INQP.
